

The Technopreneur Facilitation Fund is a scheme by TPM to help technopreneur in the ICT, engineering, biotechnology, & green technology meets product demand. The aim of the fund is to act as catalyst for the development of innovative technopreneurs with commercially-viable business models which will result in increase of job opportunities and wealth generation for technopreneurs. Application is open to technopreneurs intending to utilise services offered by TPM Engineering Sdn Bhd (TPME) and TPM Biotech Sdn Bhd (TPMB).

Dana Sokongan Technopreneur adalah skim oleh TPM untuk membantu teknopreneur dalam teknologi ICT, kejuruteraan, bioteknologi, & hijau memenuhi permintaan produk. Matlamat dana adalah untuk menjadi pemangkin bagi pembangunan usahawan tekno yang inovatif dengan model perniagaan berdaya maju yang akan menghasilkan peningkatan peluang pekerjaan dan penjanaan kekayaan untuk usahawan tekno. Permohonan dibuka kepada usahawan teknologi untuk menggunakan perkhidmatan yang ditawarkan oleh TPM Engineering Sdn Bhd (TPME) dan TPM Biotech Sdn Bhd
